Without focused study, *less than 50% pass the licensing exam on the first try.*

The majority of students who fail their state board exam *fall short by less than 10 points!*

TheTutorSystems.com is a way you can *study and practice taking 4 different licensing exams online on any computer.*

You can even take a mock state board exam ONLINE!
Here's how: *Select the state board review exam from the "Menu" screen; upon completion, you will receive a percentage score and be moved to a screen showing those subject areas in which a below-passing grade was made. These are the areas you should concentrate your study in.*

All of this for \$20 for 90 days of use of the database you selected. Once enrolled, you may go online with any internet capable computer to study for your exam...as many times as you want within the 90 days!

TheTutorSystems.com Important Updates

- TheTutorSystems.com testing parallels an NIC* level of test questions based on the most widely used textbooks in order to ensure an even level of testing across all states.
*NIC: National Interstate Council of State Boards of Cosmetology
- There are hundreds of test questions on each specific exam and the questions are divided into individual study areas.
- Test questions on Texas Rules & Laws and California Rules & Laws are included in testing. If requested, Rules & Laws for other states can be included.
