TERMS OF PURCHASE and LICENSE DETAILS

- The school license fee for each lab is \$350.00 per year. Tax-supported schools may submit a school purchase order. Privately owned/operated cosmetology schools should include payment with their order. If your organization is exempt from Texas Sales Tax, please include a certificate of exemption with your order (or note the exemption number on your purchase order).
- Currently, the license year is 365 days from the date the Tutor is first run on the computer...keeps you from losing days on the license. (There is also an expiration date beyond which the program will not run regardless of the 365 day license).
- The school license applies only to, and authorizes users to load the Cosmetology Tutor only on school-owned computers and not personal computers.
- Tutors are sold only to licensed cosmetology schools!
